

The following three institutes were accepted as full members of the SAFE consortium at the December 2017 Annual General Member's Meeting:

[The Faculty of Biotechnology and Food Sciences of the Slovak University of Agriculture in Nitra \(SUA\).](#)

[The Food Institute of Kaunas University of Technology \(KTU\) in Lithuania.](#)

[The Institute of Life Technologies of the School of Engineering of the University of Applied](#)

[Sciences of Western Switzerland-Valais Wallis](#) (HES-SO).

These institutes are free to publish in the public interest and each presented a bibliography of high quality publications in international peer-reviewed scientific journals authored by numerous scientists at their respective institutes.

The memberships begin January 2018 and we look forward to successful collaboration.
Welcome!
