The Faculty of Biotechnology and Food Sciences of the Slovak University of Agriculture at Nitra, a SAFE member since January 2018, hosted the 13th International Conference on Biotechnology and Quality of Raw Materials and Foodstuffs. The SAFE consortium Secretary General, Dr Hrönn Jörundsdóttir, gave a Plenary Lecture, Sparking New Life into Food Safety Research.

The conference took place from 17-19 September 2018 at the Smolenice Castle in Smolenice, Slovak Republic. Sessions included

- Biotechnology and Molecular Biology
- Food Design and Innovation
- Personalized Nutrition and Health
- Innovation Trends in Food Industry

Papers will soon be published in the Journal of Microbiology, Biotechnology and Food Sciences.

It was an excellent event - and we look forward to the next one!
